William Morrow. 1 Paperback(s), 2014. soft. Book Condition: New. Did you know that you are more likely to drown than meet your mate on a blind date? What percentage of women claim to have had sex in the workplace? And can it really be true that nearly one in six adults has reported seeing a UFO? Compiled from a trove of more than 400,000 statements of probability, this endlessly diverting book presents the stats on love, marriage, fitness, disease, religion, and what we shall call "fringe beliefs." For added interest, many of the results are broken down by gender, finally providing you with solid evidence that men and women view the world very differently. 237.
