Career Press, United States, 2009. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. As acknowledged in every history of modern Paganism, the articles, poetry, art, and letters published in Green Egg over the past four decades informed, inspired, and shaped the emerging Pagan community into the fastest-growing religious movement in the English-speaking world. This richly illustrated anthology of favorite writings and artwork from those legendary issues opens a window into the birth, infancy, and adolescence of a transformative cultural revolution that is now, in the 21st century, entering its maturity. Selections from 40 years of Green Egg include articles from numerous contributors, including Antero Ali, Isaac Bonewits, Marion Zimmer Bradley, Darryl Cherny, Phyllis Curott, LaSara Firefox, Ed Fitch, Jesse Wolf Hardin, Anodea Judith, Ralph Metzner, Diana Paxson, Starhawk, and Robert Anton Wilson.
