ILITARY ORCE The history of warfare - including the consistent practice of Presidents since the earliest days of the Republic - demonstrates that warrantless intelligence surveillance against the enemy is a fundamental incident of the use of military force, and this history confirms the statutory authority provided by the AUMF. Electronic surveillance is a fundamental tool of war that must be included in any natural reading of the AUMFs authorization to use all necessary and appropriate force. As one author has explained: It is essential in warfare for a belligerent to be as fully informed as possible about the enemy - his strength, his weaknesses, measures taken by him and measures contemplated by him. This applies not only to military matters,...
