Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

FRANKENSTEIN COLLINS CLASSICS

William Collins. Paperback. Book Condition: New. Paperback. 240 pages. Dimensions: 6.9in. x 4.3in. x 0.7in. HarperCollins is proud to present its new range of best-loved, essential classics. It was already one in the morning; the rain pattered dismally against the panes, and my candle was nearly burnt out, when, by the glimmer of the half-extinguished light, I saw the dull yellow eye of the creature open. Written when Mary Shelley was only nineteen-years old, this chilling tale of a young scientists desire to create life still resonates today. Victor Frankenstein's monster is stitched together from the stolen limbs of the dead, and the result is a grotesque being who, rejected by his maker, sets out on a journey to seek his revenge. In the most famous gothic horror story ever told, Shelley confronts the limitations of science, the nature of human cruelty and the pathway to forgiveness with rich language and evocative imagery. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
