PAVILION BOOKS, United Kingdom, 2010. Hardback. Book Condition: New. -21st-Century Playground ed.. 158 x 126 mm. Language: English . Brand New Book. An old English proverb says he that converses not, know nothing - but you might be forgiven for thinking that young people nowadays speak a completely different language from the English you were taught at school. A vast number of bewildering terms, with no apparent relevance to the rules of grammar or sense, have proliferated among the youth of today . You might hear this strange new language on the back of the bus, in student bars across the land, and online - indeed, wherever teens chat breeze (make conversation) together. And how to decipher this cryptic talk? Unfortunately, a trawl through Webster s or the OED won t enlighten you as to what a milf is, things that are alternately sick and skankaroo, or what it means to get poked on Facebook. As for expletives, well, in the modern age the F-word is the most versatile part of speech around - a handy verb, adjective or noun. Pimp Your Vocab! is your insider s guide to making sense of Teenglish. To bridge the communication gap between teachers and students, parents and kids, here is a dictionary of the words du jour.standard.
