

Your Birthday Book: A Keepsake Journal

By Amy Krouse Rosenthal

Potter Style. Hardcover. Book Condition: New. Hardcover-spiral. 104 pages. Dimensions: 9.9in. x 9.2in. x 1.6in. Start this at birth, wrap it up at eighteen, fill it out each year in between. This is not anything like a baby book. Its a birthday book! It was born from the simple idea that birthdays provide the perfect annual opportunity to preserve a sweet moment in time as your child changes from year to year. So its a multi-layered confection: annual touchstone, cherished ritual, and eternal keepsake. This journal provides fun, fast, and casual birthday activities for ages 1-18 as well as space to stick birthday photos and a random picture from each year, amusing and thought-provoking questions to ask your kid, and a time-capsule envelope for stashing away odds and ends (artwork, school papers, hand tracings, birthday cards, invitations, and other memorabilia). From toddler hood to young adulthood to every hood in between, you'll return to the same four activities for each birthday. The questions prompts, and tone may shift each year, but the essence intentionally remains intact. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover-spiral.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Ally Reichel**

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
