Brand New Book ***** Print on Demand *****.God made the spirit of man in the image and likeness of Himself, and He desires to have fellowship with all of His children in this life. Because we are spirits as He is Spirit, our spirits cannot be confined to the body of flesh God gave us to live on earth. We don t belong here on earth; and Jesus made it possible at Calvary for our spirits to be transported to our heavenly home in Zion by the Holy Spirit. Jesus has opened the door to the Father s throne room so that believers may enjoy free daily access to the Father in this life. On certain occasions we may actually find ourselves inside the gates of the Holy City, speaking with dear loved ones who have entered their rest. With God all things are possible. Going Up is a book about personal experiences. You will witness actual events as one daughter of Zion is caught up in the Spirit, enjoys an escorted tour of the banqueting hall in the Temple of God; and, while in the Spirit on other occasions, visits with loved ones and seemingly entertains heavenly visitors in her own home. You will observe how a willing spirit has the faith and courage to leave her earthly body behind and take an intergalactic trip to Zion. You will share her excitement and witness how her life is changed by her determination to enjoy life in the Spirit.
