Createspace, United States, 2015. Paperback. Book Condition: New. 224 x 148 mm. Language: English . Brand New Book. You re about to discover over one thousand Spanish verbs exemplified in Spanish English sentences. Learning a new language is never an easy task but it doesn t have to be hard. By learning the one thousand most used verbs in a language you give yourself a fantastic foundation to start building upon to your road to fluency. In my book, 1000 Spanish Verbs in Context, I give you over one thousand of the most common Spanish verbs used today. You are given the verb in Spanish and English with examples of the verb in a sentence, also in Spanish and English. No more confusion about how to use the verb. One thousand words are a perfect number to aim for. It is important to give yourself goals to stay motivated and to keep yourself learning. Imagine if you learnt ten words a day. Five in the morning and five at night. After only a hundred days (that s just over 3 months) you would have access to a thousand verbs in your vocabulary. That really is quite a lot and would give you an excellent grasp of the language. Far too many people expect to be speaking a new language far too quickly without putting in the time or effort. As a language teacher I can testify to seeing this too many times. I can also say that by exposing yourself to a new language daily you will surely learn it. It does take time and effort but ten words a day will give you a massive boost. If you prefer a slower pace then you could set yourself different goals. The key to learning new vocabulary is to see...
